

J'me fais
une place
en garderie

Since 1994

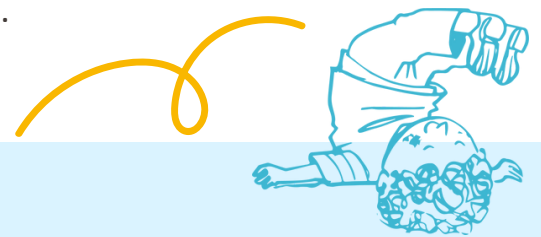

For a more **inclusive**
society... from
early childhood !

About us

J'me fais une place en garderie (JMFPG) is a Montreal-based organization that has supported **over 2500 families** since 1994 in their efforts to include their child in subsidized childcare services in Quebec.

About our services

The services are offered free of charge and are intended for families living with a child aged from **0 to 5 years old** with a **motor disability**, whether or not associated with another disability, and who live on the Island of **Montreal**.

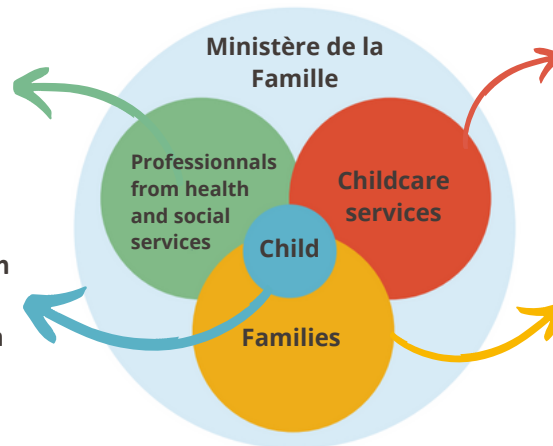

Our work

Our support adapts to the needs expressed by families and childcare services. JMFPG's intervention aims to create partnerships and promote collaboration among all individuals involved in the inclusion of the child.

Supporting the establishment of collaborative relationships with **professionnels** from the health and social services.

Supporting the full participation and engagement of the **child** in daily routines and activities with their peer group.

Supporting **childcare services** in making physical and social adaptations to facilitate the child's inclusion

Supporting the involvement and empowerment of **families** as primary partners of their child's inclusion

J'me fais une place en garderie also offers ...

Training to childcare services, cegeps and universities about practices to support the inclusion of children with special needs.

Videos and tools available on our website to support parents and childcare services.

Consulting services for childcare services, families, professionals from the health and social services and others.

Presentations and conferences at various events for different practitioners, partners, and decision-makers.
